State Championship Awards

This year in all adult State Championship tournaments, the Champion of each class and the runner-up from the Men's "A," the COED "Open," and the Women's Open will be given a choice of awards from the association. Teams will receive a choice of Team Jackets or a reimbursement of National entry fees.

At the conclusion of your tournament, have the team representative complete the **"Championship Awards"** order form. Send this form to me, along with the rest of your paperwork. I will order the awards and have them delivered to the team manager, it will be the responsibility of the team manager to deliver these awards to the team members. Please give the coach my contact information; email address and/or cell number, so they can contact me with any questions.

We wish you luck with your tournament. Although you are hosting this event, remember this tournament belongs to the association and its rules, policies and codes must be followed. Please use the Tournament Director's Guide to insure all of the tournaments are operated the same, and it will help things run much smoother at the tournaments.

Again, USA Softball of Oklahoma appreciates you hosting the tournament. As your event progresses, please note any ideas you may have to improve team involvement and help the association move forward.

Good Luck during your event!
